Eskimo Trial Marriage.
The trial marriage is an ineradicable custom among the Eskimos. If a young man and woman are not suited with each other they try again, and sometimes several times.

Helping Dad.
Small Johnny—Papa, would you be glad if I saved a dollar for you? Papa—Certainly, my son. Small Johnny—Well, I saved it for you, all right. You said if I brought a first class report from my teacher this week you would give me a dollar, and I didn't bring it.—Chicago News.

What She Wanted.
Father (to his daughter)—I've brought you a zither for your birthday, my dear, and a book by which you can teach yourself to play on it in a month. Daughter—But it was the zither teacher I wanted most.—Flingende Blatter.

Power of Words.
"For me," writes Lafcadio Hearne in the "Japanese Letters of Lafcadio Hearne," words have color, form, character. They have faces, ports, manners, gesticulations; they have moods, humors, eccentricities; they have flints, tones, personalities.

Garrick and Kitty Clive.
Kitty Clive, the paramount sobriety of Garrick's time, was celebrated for her temper and her spiteful tongue. She denied "little Davy" had skill in tragedy and mocked at him when he prepared to put on "Hamlet." During the performance she stood in the wings, intending to scold, but she was carried away with enthusiasm in spite of herself and applauded vigorously.

Fine Scheme.
Wife—Please match this piece of silk for me before you come home. Husband—At the counter where the sweet little blond works, the one with the soulful eyes and—Wife—No. You're too tired to shop for me when your day's work is done, dear. On second thought I won't bother you.—Detroit News.

Lesing Her Interest.
"Mrs. Billerock is getting old—I know it."
"What now?"
"She says that the stores don't have as good bargains now as formerly."—Buffalo Express.

Resolution of Intention No. 398.
A RESOLUTION OF THE BOARD OF TRUSTEES OF THE CITY OF GLENDALE DECLARING ITS INTENTION TO IMPROVE LOUISE STREET FROM THE SOUTH LINE OF DORAN STREET TO THE NORTH LINE OF FIRST STREET.

Resolution of Intention No. 401.
A RESOLUTION OF THE BOARD OF TRUSTEES OF THE CITY OF GLENDALE DECLARING ITS INTENTION TO IMPROVE A PORTION OF FIRST STREET.

The Board of Trustees of the City of Glendale do resolve as follows:
SECTION 1. That the public interest and convenience require, and it is the intention of the Board of Trustees of the City of Glendale, State of California, to order the following street work done in said City, to-wit:
First: That that portion of the roadway of Louise Street in said City from the South line of Doran Street to the North line of First street be graded and oiled in accordance with the plans and profiles on file in the office of the City Engineer, and Specifications for the construction of graded and oiled streets on file in the office of the City Clerk of the City of Glendale, said Specifications being numbered 10, excepting, however, that all oil applied as called for under afore-described Specifications No. 10 shall be applied by a machine which must be of such construction that the oil will be spread uniformly over the surface of the road in any quantity per application from one-eighth (1/8) of a gallon per square yard to one (1) gallon per square yard. The oil must be spread or forced upon the surface of the road in such manner as to immediately cover every particle of surface when applying a quantity of oil as small as one-eighth (1/8)

of a gallon per square yard. The oil above the nozzles must be maintained at a uniform pressure during the application of the entire tank of oil, and such pressure shall not be less than thirty (30) pounds per square inch. The machine shall be provided with a transverse distributing cylinder of such length that it will spread oil over a width of road of eight (8) feet in each course, in order to prevent overlapping or necessity for "bucketing" or patching with oil as is required with oilers of less width.

Second: That a cement curb be constructed along each line of the roadway of said Louise Street from the South line of Doran Street to the North line of First Street (excepting along such portions of the line of said roadway upon which a cement curb has already been constructed to the official line and grade) in accordance with the Specifications for the construction of cement curbs on file in the office of the City Clerk of the City of Glendale, said Specifications being numbered 2.

Third: That a cement sidewalk five (5) feet in width be constructed along each side of said Louise Street from the South line of Doran Street to the north line of First Street (excepting such portions of said Louise Street between said points along which a cement sidewalk five (5) feet or more in width has already been constructed to the official line and grade), said sidewalk to be constructed according to the Specifications for the construction of cement sidewalks on file in the office of the City Clerk of the City of Glendale, said Specifications being numbered 1.

SEC. 2. That the Board of Trustees of the City of Glendale hereby finds upon estimates directed to be furnished and furnished by the City Engineer that the total cost of said improvement will be greater than fifty cents per front foot along each line of said street, including the cost of intersections, and it is hereby determined, in pursuance of an Act of the Legislature of the State of California, approved February 27, 1893, as amended by an Act of the Legislature amending said last named Act, which amending act became a law March 2, 1899, that bonds shall be issued to represent the cost of said improvement. Said bonds shall be serial, extending over a period of ten years from their date, and an even annual proportion of the principal sum thereof shall be payable, by coupon, on the second day of January every year after their date, until the whole are paid, and said bonds shall bear interest at the rate of seven per cent. per annum on all sums unpaid, payable semi-annually, by coupon, on the second days of January and July, respectively, of each year, until the whole of said principal and interest are paid.

SEC. 3. THE GLENDALE NEWS, a weekly newspaper of general circulation, published and circulated in the said City of Glendale, is hereby designated as the newspaper in which this Resolution of Intention, and notice of the passage thereof, shall be published in the manner and by the persons required by law.

SEC. 4. The Superintendent of Streets of said City is hereby directed to post notices of the passage of this Resolution in the manner and in the form required by law, and to cause a similar notice to be published by one insertion in said newspaper in the manner required by law.

SEC. 5. The City Clerk shall certify to the passage of this Resolution, and shall cause the same to be published by two insertions in the manner required by law in said newspaper, and shall post the same conspicuously for two days on or near the Chamber Door of the Board of Trustees.

Adopted and approved this 19th day of June, 1911.

JOHN ROBERT WHITE, JR., President of the Board of Trustees of the City of Glendale.

G. B. WOODBERRY, City Clerk of the City of Glendale.

Keep the Bacon at Home

Remember when Jack Johnson, the black man, bruised Jim Jeffries at Reno? He wired his mother, "I'm bringing home the bacon." In this case "the bacon" was a large bunch of money.

It is a wise plan to keep the bacon at home. Money in circulation around home is much more useful to yourself and your community than it is if it circulates at a distance.

This is merely a hint in favor of Home Trade against the Mail Order habit.

The machine shall be provided with a transverse distributing cylinder of such length that it will spread oil over a width of road of eight (8) feet in each course, in order to prevent overlapping or necessity for "bucketing" or patching with oil as is required with oilers of less width.

Second: That a cement curb be constructed along the lines of the roadway of said First Street from the East line of Brand Boulevard to a point 150 feet East from the East line of Jackson Street (excepting along such portions of the lines of said roadway upon which a cement curb has already been constructed on the official line and grade), said sidewalk to be constructed according to the Specifications for the construction of cement curbs on file in the office of the City Clerk of the City of Glendale, said Specifications being numbered 2. Said curbs shall be curved on the specified radius to meet the curb lines of all intersecting streets as tangents.

Third: That a cement sidewalk five (5) feet in width be constructed along each side of said First Street from the East line of Brand Boulevard to a point 150 feet East from the East line of Jackson Street (excepting such portions of said First Street between said points along which a cement sidewalk four feet or more in width has already been constructed to the official line and grade), said sidewalk to be constructed according to the Specifications for the construction of cement sidewalks on file in the office of the City Clerk of the City of Glendale, said Specifications being numbered 1.

Fourth: That curbs shall be constructed at the intersections on First Street and Maryland Avenue, First Street and Louise Street, First Street and Kenwood Street, and First Street and Jackson Street, in accordance with Special Plans and Specifications for the construction of said curbs on file in the office of the City Clerk of the City of Glendale, which "Special Plans and Specifications were duly adopted for said work by Resolution No. 399 by the Board of Trustees of said City.
